

Initial Management Of Shock

Presenter: Catherine Flores, RN, BSN, MN, PhD

Location: Raymond S. Burton Fire & EMS Training Facility
660 Trudeau Rd Bethlehem, NH 03574

This class will present the signs and symptoms of shock, review the causes of shock and initial interventions, and how the scope of practice for EMT-Basic influences the actions that can be taken. The skills we will practice include administration of epinephrine for anaphylaxis, assisting with the insertion of an intraosseous access device and administration of volume expanders.

Register for this class online by going to <http://bit.ly/24FW1dd>. Or scanning the barcode below .

For more information you can either email the LRH Education Department at LRHeducation@lrhcares.org or calling 603-444-9303.

There is no charge for the class though you must register as space is limited.
