

# CLINICAL CARE OF THE SEXUAL ASSAULT

## PATIENT

Nurses will:

- Learn how to best care for sexual assault patients should a SANE nurse not be available.
- Learn the resources available to sexual assault patients.
  - Discuss screening techniques.
  - Learn about proper documentation.
- Be able to discuss the role of a SANE nurse.

Earn two CEUs.

Trainer: Janet Carroll RN, CEN, SANE-A,  
Clinical Coordinator at the NH SANE Program
