

North Country Healthcare Grand Rounds

Clinical Care of the Sexual Assault Patient

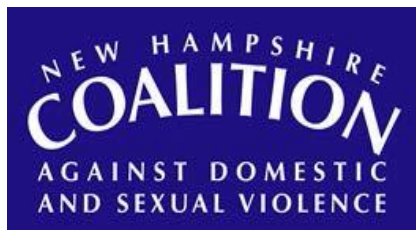

Presented by:

May 11, 2017

12:00 pm - 2:30 pm; or

3:00 pm - 5:30 pm; or

6:00 pm - 8:30 pm

WMC – Northwoods Center for Continuing Education

8 Clover Lane

Whitefield, NH 03598

Audience and Content:

Teachers, law enforcement officers, mental health professionals, EMS providers, nurses, and providers are invited to attend this CE offering. The class will give an overview of the medical/forensic evaluation of sexual assault patients, including: options for care and evidence collection, preserving evidence, best documentation practices, forensic photography, evidence collection procedure and NH kit, billing and compensation, STD's, HIV, pregnancy, strangulation and human trafficking.

Learning Outcomes:

1. Participants will verbalize an understanding of the NH sexual assault medical forensic protocol as a result of participating in this training.

Space is limited, to register for this class visit the Northwoods CCE website at <https://www.trainingcentertechnologies.com/NorthwoodsCenter/CourseEnrollment.aspx>

or scan the Quick Response Code above with your device.
