Presentation/Evaluation & Exam

Instructors: North Country Healthcare Training Center Faculty
Tuition: \$ 150.00

This is an 8-12 hour TC faculty-led training course designed for candidates interested in becoming AHA certified instructors for ACLS and/or PALS. After completing this course, students must complete one mentored/monitored ACLS and/or PALS Provider course with an AHA certified ACLS/PALS Faculty.

Additional requirements:

1. Students must have a valid provider card in the specialty they want to instruct;
2. Students must complete the ACLS and/or PALS Instructor Essentials online prior to class (included in the course fee); and
3. Students must purchase, **unless their facility or service has a copy**, the approved materials for conducting an ACLS and/or PALS Provider Course – these **materials must be brought with you to the class.**

Contact Lindsay Clark at 259-7617 or via Email LRHEducation@LRHCares.org for more information. To register for this class, use the QR Code above or the following hyperlink to access the registration webpage <https://www.trainingcentertechnologies.com/NorthwoodsCenter/CourseEnrollment.aspx/>
