

DRAFT LETTER TO GUIDANCE COUNSELORS – February 17, 2017

The Littleton Regional Healthcare Auxiliary Scholarship Program is once again accepting applications from deserving high school seniors who plan to pursue a career in the health care field. Each applicant must be planning to attend an accredited post-secondary school or college in the fall of 2017. To be considered, applications must be filled out completely, accompanied by the requested documents which includes the most recent completed parent/guardian 1040 tax form and be **postmarked by the deadline of April 15, 2017**. There is no limit on the number of applications per school.

We are pleased that we had the opportunity to either meet with, or speak to all of the guidance counselors this year, providing us with some valuable comments and suggestions for our scholarship program. Thank you for your time and support.

Our intention was to create a dynamic application, however we were informed by our IT department that this is not advisable due to privacy issues. Therefore, attached is our most recent application which can be printed at the student's request.

This year we are offering a “one-time only” special scholarship reward of \$2000.00 in memory of Marion Edmunds, who was chairman of the Auxiliary Scholarship Program for many years before her passing last year. According to Marion's wishes, the money donated in her memory is to be awarded to encourage the students in whom she believed.

Please reserve **Wednesday, June 7, 2017, at 7 pm** for the Awards Ceremony for scholarship recipients, their families, counselors and friends. The event will be held at LRH; invitations will follow. In addition, we ask that students are also recognized at their graduation. As in the past, you will receive a letter with the name of honoree(s) from your school.

All applications should be sent to:

Nancy Diener, Co-Chairman
360 Brook Road, Bethlehem, NH 03574
603-869-2244

Sincerely,
Nancy Diener
Maria Hynes
