

# PROSTATE CANCER SCREENING 2018\*

at Littleton Regional Healthcare

**WEDNESDAY, SEPT. 19**  
**4:00–6:30pm**

*It's quick, it's easy. It's FREE.*

Prostate cancer is one of the most common cancers among men, with more than 160,000 new cases expected every year. A screening can detect tumors early and allow time for treatment. So, take the time and make your appointment today by calling (603) 444-0385. **Pre-registration is required.**

*\*For men ages 40–75 who have not had a PSA test in the past year, who have not been diagnosed with prostate cancer, and are not receiving ongoing urology care.*
