

Littleton Regional Hospital Auxiliary Cookbook

Littleton Regional Healthcare Auxiliary

Presents Second Helpings Cookbook November 7

By Eileen Regen

Members of the Littleton Regional Healthcare Auxiliary invite the community to join festivities at the debut of Second Helpings, the new auxiliary cookbook from 5 to 7 p.m., Tuesday, November 7 at the Littleton Regional Healthcare Conference Center. To show off the cookbook, recipe contributors will serve tantalizing food samples to excite everyone's taste buds.

Auxiliary members and friends have shared over 300 favorite recipes for Second Helpings. The all-new recipe collection includes appetizers, main dishes, desserts and other delicious treats. Foods from around the corner and around the world will tempt even the most discriminating foodies.

Proceeds from the book sales help maintain many auxiliary activities such as the ER hospitality table, holiday decorations, Santa visits and gardens. Auxiliary funds also support in-hospital health fairs and several other hospital initiatives.

At only \$15 per copy, this cookbook is a wonderful gift choice. The forest green and cream hardcover cookbooks are 7" x 9 1/4" three-ring binders with colorful section dividers, cooking hints throughout the book and a quick-reference index. Original art on the book cover and sprinkled throughout the book was created by Nancy

MacNeil. Vinyl recipe holder inserts will be available for purchase at the book sales table. As Diane Rehm says, "There's always room for one more book!"

Chairperson Nancy MacNeil and committee members Anita Craven, Barbara Langworthy, Deb McKenzie, Cathy Parker, and Eileen Regen and have undertaken the project with enthusiasm and energy from the moment of its inception. Auxiliary members and guests can look forward to a delicious gathering to welcome this beautiful new book.

For more information, contact Nancy MacNeil, 823-7770.
