

Introducing Daniel Underbakke, MD

Specializing in General Surgery

Dr. Daniel Underbakke, General Surgeon, has joined the Surgical Associates at Littleton Regional Healthcare. Dr. Underbakke is specially trained to provide a range of diagnostic and treatment services, most of which can be done through minimally invasive techniques. Dr. Underbakke is available for patient referrals for the following conditions/procedures and more:

- Endoscopy
- Cholecystectomy
- Ulcer repair
- Colon resection
- Catheter placement
- Hemorrhoids management
- Hernia repair
- Mastectomy
- Splenectomy
- Varicose Veins ligation
- Appendectomy
- Wound care

Dr. Underbakke graduated with his Bachelor of Science in Biology from the University of Wisconsin followed by his Doctor of Medicine from the University of Wisconsin School of Medicine and Public Health. He fulfilled his General Surgery Residency and General Surgery Internship followed by his Research Fellowship at Dartmouth-Hitchcock Medical Center.
