

The Starfish Fund

Established in February 2021

by a generous donation made by Carol Anne Gillis

Individuals and businesses can make donations to *The Starfish Fund* in a number of ways including:

Online: Make a tax deductible donation. You can make a one-time or recurring donation using our on-line donation form by visiting [secure online donation form](#).

Monthly giving: Making a monthly donation is a convenient way to spread your donation over the entire year, saving the cost and time of writing and mailing checks. It lets you budget your generosity throughout the year - and you receive a single, cumulative tax receipt at year-end. You may choose to have funds withdrawn regularly from your bank account or from your credit card. It's easy, and you may update or cancel the arrangement at any time. For as little as \$10 a month, you can sign up for our monthly giving program. Sign up easily with our [secure online donation form](#).

By check: Mail your check made payable to LRH to:

Littleton Regional Healthcare
600 St. Johnsbury Road
Littleton, NH 03561

Tribute or Memorial Gifts: Making a tribute gift is a meaningful way to honor special people, remember a milestone or celebrate someone's life. Through a donation to Littleton Regional Healthcare, you can extend love, admiration or sympathy to friends and family throughout the year. Tribute gifts can be made to acknowledge a physician, nurse or other caregiver for providing exceptional care to you or a family member. LRH acknowledges all contributions with a letter and promptly notifies the family of the deceased or the person being honored that thoughtful tributes were received (a gift amount is not revealed). Tributes may be made by sending a gift directly to LRH or by using our [secure online donation form](#).

Gift of Stock: Donations of appreciated securities (stock that you purchased at least one year ago that has gone up in value is an excellent way to make a gift to LRH. Not only do you receive the charitable deduction for the current value of the stock on your tax return, you also avoid paying capital gains on the increased value. Please call the LRH Marketing & Community Relations department at 603.444.9304 for transfer instructions.

For additional information on how you can help, please call Gail Clark, Director of Marketing & Community Relations, at 603.444.9304.
