

Dear Applicant,

You may be able to get some help with your bill from Littleton Regional Healthcare (LRH). When sending your application please go over the check list to make sure all documents necessary are enclosed.

We have a resource called the **Financial Assistance Program.** Its purpose is to help our patients who cannot afford health care. To get help with your bill, we need proof of your income. If you don't understand what we're asking for, please call us at 603-444-9560.

2024 APPLICATION UPDATES: The applicant must apply for Medicaid, if deemed eligible by the LRH Patient Financial Advocate, who will utilize the NH Medicaid screening worksheet to determine eligibility to apply for such programs. The Medicaid application must be a cooperative one and any denial due to withdrawal of the application will be grounds for denial of the application for financial assistance. Individuals who have applied and have a pending application for a public assistance program are not eligible until an eligibility decision is reached. Individuals who chose not to enroll in Medicare Part B are not eligible for LRHs Financial Assistance.

Once you send us all of the paperwork, we will review your application. **The information you give us is strictly confidential.** We process applications within 30 days of receipt. If you send us an application that's not complete, we will let you know. However, if, after 30 days it's still not complete, we will deny your application.

Please know that you need to pay for any services from LRH until we know if you meet the guidelines for help. If you have not heard from us **within 30 days** after sending us your application, please call us at 603-444-9560.

Sincerely,

Patient Advocate Littleton Regional Healthcare 600 St. Johnsbury Road Littleton, NH 03561 603-444-9560
