

Shared Journeys

Perinatal Bereavement Support Group

Last Wednesday of Each Month | 5:30-7:00 PM

This group is sponsored by Littleton Regional Healthcare, and provides a safe, compassionate space for individuals and families who have experienced the loss of a baby during pregnancy, at birth, or shortly after. This support group is led by an obstetrics nurse facilitator to support the group and ensure meaningful conversations.

With the hope of providing emotional support, connection, and understanding, this group offers a comforting space for shared experiences and open dialogue to reduce feelings of isolation and honor every participant's grief journey.
